Trinity Lutheran College is a uniform school and all students are expected to wear the full and correct uniform as specified. There is a common uniform for the whole college with some variations for the secondary years. There is a summer and winter day uniform and a sports uniform. The majority of items are available from the college uniform shop. Special high cost items will be available by order only once a year. Second hand uniform items are also available. In 2016 the College is transitioning to the College logo being added to track pants and sport shorts.

**DRESS CODE**

- Winter uniform is worn from the Monday after Mother’s Day to the end of Term 3. These dates may change at the principal’s discretion if the weather is unseasonably warm or cold.
- Sports uniform is worn on the day that students have physical education. If a student is unable to wear the full and correct sports uniform the students must wear college uniform and change for their PE session.
- Day uniform shoes must be the standard leather school shoes, with either velcro or lace fastenings. They must be kept clean and in good condition.
- Sport shoes must be a supportive sneaker.
- Socks must be plain coloured and worn above the ankle with no visible logos.
- Hats are compulsory for all year levels and are to be worn throughout the year as per Sun Smart Policy based on daily UV readings.
- Hair that is longer than shoulder length (girls and boys) must be pulled back. This requirement is both a general health issue and a safety issue for some classes. Any ties, bands or ribbons must be black neutral or the college colours.
- Acceptable jewellery is a watch, plain cross necklace, plain friendship ring, medical identification and plain sleepers or studs in earlobes only. These must be removed or taped for most PE and sport classes.
- Makeup is not acceptable. Students with a skin condition that requires the application of certain face cream are to request permission from the relevant Head of School.
- Minimum length of the girls dress and skirt is knee length.
- Sports shorts must be at least mid-thigh in line with the Sun Smart Policy.
- Students representing the school at interschool sport must wear the college tracksuit and either the college sport uniform or the sport top (provided by the college) for that sport.
- Students on excursions must wear the college day uniform as appropriate for the time of the year unless the event specifically requires other dress. Advice will be given if any variation is required.
- Students representing the college in community events or competitions must wear the college day uniform as appropriate for the time of the year.
- The College tie is worn with the winter uniform for secondary students.
- College captains (yr 10) will be provided with a fitted college blazer to wear on formal occasions. Boys will wear long trousers (black or navy) when wearing the blazer.
- Certain uniform items have transitional years as it is acknowledged that students grow at different rates. Some items may continue to be worn throughout the student’s college years even when other options become available. These are indicated in the uniform list.
- All items of clothing should be clearly marked with the student’s full name. The college does not accept responsibility for the loss of any item of uniform.
- Students who require a special fit in plain navy track pants and sport shorts can seek permission to purchase the item elsewhere, bring it to the college for approval and receive a voucher to enable the college logo to be added by a local supplier.

**UNIFORM SHOP**
The uniform shop is located on the college grounds. Trading hours are generally from 3:00pm to 4:00pm on Monday and Thursday and from 8:15am to 9:15am on Friday. The shop is also open for extended periods at the start of the year and on special days such as orientation days. Order forms and price lists are available upon request from uniform@tlc.vic.edu.au.
