OSHC Hours of Operation are 3:15pm to 6:00pm daily during term time

Trinity Lutheran College Outside School Hours Care is an affordable, convenient recreational service that TLC provides for children of school age. We offer an extension of the home where children feel loved, accepted and secure. Children are encouraged to achieve their best socially, emotionally and academically in a safe, caring and engaging environment which fosters a child's natural curiosity and thirst for knowledge. For the younger children, the program draws from the very best early childhood teaching practices. It is our belief that when our children, educators and families of TL and OSHC intertwine, it creates the unmistakable essence that is uniquely recognised as that of Trinity Lutheran College.

Our afternoon in OSHC starts with us meeting and greeting the children in The Victoria Wing. This is where the Prep, Year One and Year Two classrooms are situated. Then the children lead the way to The Sunset Hall where they have a healthy afternoon tea. Our afternoon menu can be quite varied and is enjoyed by the children as they sit with their peers and chat.

The activities that we then engage the children in are many. We are able to utilise The Sunset Hall, Mallee Sports Hall, library, playgrounds, basketball courts and the oval areas with our children as they build new friendships and develop who they are. At the end of the day we invite you to come and sit awhile and join your child in play or conversation. You are their world. Stop and smell the roses.

Trinity Lutheran College Outside School Hours Care is registered with the Australian Children's Education & Care Quality Authority and follow the National Quality Standards.

The 2016 fees for TLC OSHC are $17 per session, per child. If a place has been booked but your child is away, a holding fee is charged, whether permanent or casual, of $10 per session, per child. The Commonwealth Government offers assistance to reduce the cost of child care for families. To register for Child Care Benefit contact the Family Assistance Office on 136150. You will then need to provide us with your Customer Reference Number and work with the OSHC director on the claims process.

Before a child can attend the TLC OSHC program, families are required to fully complete an OSHC enrolment form and return to the College office or the OSHC director. If we do not have up to date enrolment and medical forms we are in breach of regulations governing child care.

We look forward to welcoming new children and families to our OSHC Community and building strong relationships over the years that form a part of your school life.

Contact Us

- The current OSHC Director is Debrah Brown who can be contacted directly on 0409 429 666 or deb.brown@tlc.vic.edu.au
- Enrolment forms can be downloaded from the College website or requested from the College office.
